All prices include GST and installation at point of sale only. Prices are subject to change. Some optional extras may already be included in standard camper trailer packages. Non-inclusion of standard options shall not be credited at the full rate. The installation of options may vary according to trailer design and State Legislation. All electrical and gas installations are fully compliant with Australian regulations and ADR standards and are certified by authorised and licenced professionals. Installation of options shall be performed only on Camel products. We reserve the right to alter or change design specifications or componentry without prior notice. If you are unsure of anything or have any questions, please contact Camel Campers staff for clarification. Dealer / delivery charges may apply.
